YOUR TRUSTED GATEWAY TO SAUDI ARABIA'S MARINE INDUSTRY

A newly established Saudi marine services company with an ambitious vision to build trusted capabilities through strategic partnerships, project-based resources and responsible growth.

سبر المحيطات للخدمات البحرية
MARINE SERVICES CO. LTD.

ABOUT OCEAN PROBE

Sabr Al Mohitat Marine Services Co. Ltd. (Ocean Probe) is a newly established Saudi company headquartered in Dammam. The company aims to become a trusted and competitive provider of integrated marine solutions in the Kingdom and the wider region.

OUR VISION

To become a trusted gateway and preferred partner in Saudi Arabia's marine industry, recognized for responsible growth, innovation and lasting value.

OUR MISSION

To support clients with practical marine solutions through strategic partnerships, technical coordination and project-based resources.

OUR VALUES

Safety & Integrity • Quality Focus • Collaboration & Respect • Innovation • Sustainability • Accountability

3 OUR SERVICES OVERVIEW

Ocean Probe aims to provide integrated marine solutions across a broad range of activities. Through strategic partnerships and project-based resources, we strive to support our clients in achieving their marine objectives safely, efficiently and sustainably.

OUR SERVICE CATEGORIES

MARINE TRANSPORT SOLUTIONS

Coordination of marine transportation and support services to meet project requirements.

MARINE ENGINEERING SERVICES

Engineering and technical support tailored to marine projects and operational needs.

SHIP REPAIR & MAINTENANCE

Access to repair and maintenance services through qualified service providers.

SHIPBUILDING SUPPORT

Support for shipbuilding activities through trusted partners and industry connections.

MARINE LOGISTICS SERVICES

Logistics planning and coordination to support marine operations and supply chains.

FUEL & BUNKERING SUPPORT

Coordination of fueling and bunkering services through approved suppliers.

CATERING & PROVISION SERVICES

Arrangement of catering and provisions to support vessel and crew requirements.

OPERATION & MAINTENANCE SUPPORT

Support for the operation and maintenance of marine facilities and infrastructure through partners.

MARINE MANPOWER SOLUTIONS

Access to qualified marine personnel through specialized recruitment partners.

PROJECT SUPPORT SERVICES

General support services to help clients manage and deliver marine projects effectively.

INTEGRATED SOLUTIONS

We aim to provide coordinated solutions across multiple marine activities.

SAFETY & RELIABILITY

Safety, quality and reliability are at the core of everything we strive to deliver.

SUSTAINABLE APPROACH

We are committed to responsible operations and minimizing our environmental impact.

CLIENT FOCUS

We work closely with our clients to understand their needs and deliver practical support.

4 OUR CAPABILITIES

Ocean Probe aims to develop and deliver high-quality marine solutions that meet international standards through partnership, technical know-how and a commitment to safety and sustainability.

OUR KEY CAPABILITIES

INTEGRATED MARINE PROJECT SOLUTIONS

We coordinate and support a wide range of marine projects through tailored solutions and effective project management.

TECHNICAL & ENGINEERING SUPPORT

We provide engineering support, technical planning and advisory services to help clients achieve efficient and practical outcomes.

SAFETY & OPERATIONAL EXCELLENCE

We prioritize safety in all activities and aim to follow best practices to ensure reliable and efficient operations.

SUSTAINABLE & RESPONSIBLE PRACTICES

We are committed to responsible operations that minimize environmental impact and support sustainable development.

PARTNERSHIP & COLLABORATION

We build long-term relationships with trusted partners to combine strengths and deliver value to our clients.

FLEXIBILITY & CLIENT FOCUS

We adapt to client needs and project requirements to provide practical, timely and effective solutions.

HOW WE DELIVER VALUE

UNDERSTAND REQUIREMENTS

We work closely with clients to understand their objectives and challenges.

PLAN & COORDINATE

We prepare practical plans and coordinate resources to support successful execution.

EXECUTE WITH CARE

We aim to deliver services with attention to quality, safety and efficiency.

MONITOR & IMPROVE

We monitor progress and continuously look for improvement in all our activities.

DELIVER VALUE

We focus on achieving practical results that support our clients' marine objectives.

Our capabilities are strengthened through strategic partnerships and project-based resources, enabling us to respond to diverse client needs in the marine sector.

5 OUR SERVICE APPROACH

Ocean Probe focuses on delivering practical, reliable and safe marine solutions by working closely with our clients and partners. Our approach is built on understanding needs, careful planning and effective execution.

OUR APPROACH PRINCIPLES

CLIENT-CENTRIC PARTNERSHIP

We take time to understand client objectives and work as a true partner to support their success.

CAREFUL PLANNING & COORDINATION

We plan each project thoroughly and coordinate activities effectively to meet requirements.

PRACTICAL & FLEXIBLE SOLUTIONS

We tailor solutions to fit project needs and adapt as conditions and priorities evolve.

SAFETY & SUSTAINABILITY FOCUS

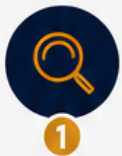

We prioritize the safety of people and assets and act responsibly towards the environment.

CONTINUOUS IMPROVEMENT

We learn from every project and continuously look for ways to improve our services.

HOW WE WORK

1

UNDERSTAND REQUIREMENTS

We listen carefully to understand client objectives, scope and challenges.

2

ASSESS & PLAN

We assess the scope and prepare a practical plan with the right resources and partners.

3

COORDINATE & MOBILIZE

We coordinate activities and mobilize resources to ensure smooth start-up.

4

EXECUTE SAFELY

We carry out the work with a focus on safety, quality and efficient operations.

5

MONITOR & CONTROL

We monitor progress, manage risks and take corrective actions when needed.

6

DELIVER & SUPPORT

We deliver results and provide ongoing support to ensure long-term value.

OUR RESOURCE MODEL

Ocean Probe operates a flexible resource model that allows us to engage qualified partners, specialized equipment and project-based teams to deliver the right solutions for each project.

ACCESS TO SPECIALIZED EXPERTISE

We work with qualified partners and professionals to bring the right expertise to every project.

PROJECT-BASED RESOURCES

We mobilize suitable equipment and resources based on project requirements.

RELIABLE & RESPONSIBLE DELIVERY

We ensure reliable delivery through clear communication, good planning and responsible execution.

KEY COMMITMENTS

Deliver practical solutions that support client objectives.

Operate with integrity, transparency and professionalism.

Promote responsible operations and care for the environment.

Build long-term value through trust and collaboration.

6 MARINE TRANSPORT SOLUTIONS

Ocean Probe aims to support the safe, efficient and timely movement of people, equipment and cargo by utilizing suitable vessels and qualified marine personnel based on project needs.

OUR TRANSPORT SERVICES

CREW TRANSFER

Providing safe and comfortable crew transfer services to and from vessels, offshore facilities and sites.

PERSONNEL TRANSPORT

Supporting the movement of personnel to project sites with a focus on safety, reliability and punctuality.

CARGO & MATERIAL TRANSPORT

Transporting equipment, materials and supplies to support marine and offshore operations.

SCHEDULED & ON-DEMAND SERVICES

Offering transport solutions based on project schedules and operational requirements.

SAFE & RELIABLE OPERATIONS

Commitment to safety, regulatory compliance and reliable transport operations at all times.

VESSEL TYPES THAT MAY BE MOBILIZED

Based on project requirements, Ocean Probe may arrange access to the following types of vessels:

CREW BOATS

Suitable for the transport of personnel to and from vessels and offshore facilities.

WORK BOATS

Versatile vessels used to support a wide range of marine operations and logistics activities.

UTILITY VESSELS

Multi-purpose vessels that can support cargo, equipment and general operational tasks.

BARGES & PLATFORM SUPPORT VESSELS

For the transportation of heavy equipment, materials and bulk cargo as required by projects.

TUG BOATS

Support for towing, pushing and assisting marine operations.

The selection and mobilization of vessels will be determined based on project scope, location and client requirements.

OUR TRANSPORT COMMITMENTS

SAFETY FIRST

We prioritize the safety of people, cargo and the environment in every transport operation.

QUALIFIED CREW RESOURCES

Access to qualified and trained marine personnel to support safe transport services.

COMPLIANCE & RESPONSIBILITY

We operate in accordance with applicable laws, regulations and industry best practices.

TIMELY & EFFICIENT SERVICE

We aim to deliver transport services on time to support project schedules and operations.

ADAPTABILITY

We adapt to changing conditions and client needs with flexible transport solutions.

Ocean Probe aims to be a **trusted partner** in providing safe, reliable and efficient marine transport solutions **tailored to each project's unique needs.**

7 STRATEGIC PORT ACCESS & MARINE NETWORKS

Ocean Probe is positioning itself in the heart of Saudi Arabia's maritime hub. Our focus is on building strong access to key ports and fostering reliable relationships with partners to deliver efficient and well-coordinated marine services.

OUR NETWORK ADVANTAGES

STRATEGIC LOCATION

Based in Dammam, we are close to major industrial cities, ports and key economic centers in the Eastern Province.

ACCESS TO KEY PORTS

We aim to provide access to major ports and marine facilities to support a wide range of marine operations.

PARTNER-BASED COLLABORATION

We collaborate with local and international partners to extend our reach and capabilities as required by projects.

FLEXIBLE & CONNECTED

Our network model allows us to adapt quickly and connect resources to meet diverse client requirements.

RELIABLE COORDINATION

We focus on clear communication and effective coordination to ensure smooth project execution.

KEY PORTS IN EASTERN PROVINCE

DAMMAM PORT

A major gateway for trade and logistics, well-connected to industrial zones and regional markets.

JUBAIL PORT

Serving the industrial city of Jubail and supporting marine operations across multiple sectors.

RAS TANURA PORT

Strategically located for energy exports and marine logistics supporting the energy sector.

RAS AL KHAIR PORT

Supporting industrial and logistics activities with access to key marine infrastructure.

OTHER PORTS & FACILITIES

Access to additional ports and marine facilities across the Kingdom as project needs require.

GLOBAL & LOCAL CONNECTIONS

GLOBAL PARTNERSHIPS

We aim to establish and strengthen partnerships with international service providers and suppliers.

LOCAL ALLIANCES

We seek to build strong relationships with trusted local partners to support project delivery.

RESOURCE ACCESS

Our network approach allows us to connect projects with suitable vessels, equipment and marine expertise.

CONTINUOUS EXPANSION

We are continuously working to expand our network to better serve our clients and support future growth.

Through a collaborative network and strategic presence, Ocean Probe aims to be a **reliable bridge** connecting your marine projects to the right resources, expertise and opportunities.

8 MARINE ASSET MANAGEMENT SOLUTIONS

Ocean Probe aims to provide asset management solutions that help clients maintain operational readiness, extend asset life and optimize performance through planning, monitoring and reliability-focused practices.

TYPES OF ASSETS WE AIM TO SUPPORT

VESSELS

Commercial vessels, workboats, tugboats, barges and support vessels.

MARINE EQUIPMENT

Deck machinery, cranes, winches, generators and hydraulic systems.

PROPULSION SYSTEMS

Main engines, auxiliary engines, gearboxes and propulsion auxiliaries.

ELECTRICAL & CONTROL SYSTEMS

Power generation, distribution, automation and control systems.

PORT & SHORE FACILITIES

Berths, jetties, mooring systems and related infrastructure.

OUR ASSET MANAGEMENT SOLUTIONS

ASSET PLANNING & STRATEGY

Support in asset planning, prioritization and lifecycle strategies aligned with operational needs.

MAINTENANCE PLANNING & OPTIMIZATION

Develop maintenance plans and schedules to improve reliability and reduce downtime.

TECHNICAL SUPPORT & ADVISORY

Provide technical expertise and advisory services to support decision-making and operational efficiency.

MONITORING & PERFORMANCE SUPPORT

Utilize monitoring tools and processes to track asset performance and identify improvement opportunities.

RELIABILITY & RISK MANAGEMENT

Identify risks, implement preventive actions and support continuous improvement.

OUR COMMITMENT

We are committed to supporting safe and reliable operations for our clients' assets.

We promote responsible asset management and environmental stewardship.

We work as an extension of our clients' teams with transparency.

We focus on delivering practical solutions that add long-term value.

We adapt to changing needs and support continuous improvement.

9

MARINE SERVICES WE AIM TO DELIVER

Ocean Probe aims to offer a comprehensive range of marine services through partnerships, technical expertise and project-based resources to support our clients across the full marine value chain.

OUR CORE SERVICE AREAS

MARINE TRANSPORT

Supporting the safe transport of personnel, equipment and cargo using suitable vessels based on project requirements.

SHIP REPAIR & MAINTENANCE

Coordinating repair and maintenance services to help vessels and equipment remain operational and efficient.

SHIPBUILDING & FABRICATION

Facilitating shipbuilding and fabrication activities through qualified partners to meet project specific needs.

MARINE LOGISTICS & SUPPLY

Providing support in logistics, marine supplies, spare parts and equipment to ensure smooth operations.

BUNKERING & FUEL SUPPLY

Arranging bunkering and fuel supply services through reliable partners in compliance with applicable standards.

CATERING & PROVISIONING

Supplying quality catering and provisions for vessels and offshore facilities as per client requirements.

OPERATION & MAINTENANCE

Supporting operation and maintenance of marine assets, berths and marine infrastructure.

OUR SERVICE CAPABILITIES

SPECIALIZED EXPERTISE

Access to specialized professionals and technical expertise to support various marine projects and operations.

PROJECT-BASED SOLUTIONS

We provide flexible, project-based solutions tailored to the specific needs and scope of each project.

PROJECT-SPECIFIC EQUIPMENT & RESOURCES

Access to suitable equipment and resources through our network of reliable partners.

SAFETY & ENVIRONMENT FOCUS

We prioritize safety, environmental responsibility and compliance in all services we aim to deliver.

COLLABORATIVE DELIVERY

We work closely with clients and partners to ensure effective communication and successful project delivery.

HOW WE ADD VALUE

CLIENT-FOCUSED SOLUTIONS

We focus on understanding client objectives and deliver solutions aligned with their operational goals.

OPERATIONAL EFFICIENCY

Our services aim to help clients improve efficiency, reduce downtime and optimize resources.

RELIABLE PARTNERSHIPS

We build long-term partnerships with trusted providers to ensure consistent quality and reliability.

FLEXIBILITY & ADAPTABILITY

We adapt to project changes and evolving requirements to provide practical and effective support.

SUSTAINABLE APPROACH

We aim to support sustainable operations and contribute to the long-term success of our clients.

OUR SERVICE COMMITMENTS

Commitment to safety and compliance.

Commitment to environmental responsibility.

Commitment to quality and reliability.

Commitment to continuous improvement.

Commitment to client satisfaction and partnership.

10 OUR QUALITY & COMPLIANCE APPROACH

Ocean Probe is committed to operating in accordance with applicable laws and industry best practices. Our approach is built on a strong focus on quality, safety, environmental responsibility and continuous improvement in everything we do.

OUR COMPLIANCE PRINCIPLES

APPLICABLE REGULATIONS

We operate in full compliance with all applicable national and international laws, regulations and industry standards relevant to the marine sector.

HEALTH, SAFETY & ENVIRONMENT (HSE)

We prioritize the health and safety of people, protect the environment and implement practical HSE measures across all our activities.

QUALITY FOCUS

We strive to deliver reliable and effective services that meet client requirements and are delivered with professional care.

ENVIRONMENTAL RESPONSIBILITY

We are committed to minimizing environmental impact and promoting sustainable practices in our operations.

CONTINUOUS IMPROVEMENT

We continuously review our processes, learn from each project and seek opportunities to improve our performance.

OUR MANAGEMENT APPROACH

PLAN

We plan our activities carefully based on client requirements and applicable standards.

IMPLEMENT

We implement projects with the right resources, clear procedures and defined responsibilities.

MONITOR

We monitor performance through regular reviews, inspections and effective communication.

MANAGE RISKS

We identify potential risks early and apply proactive measures to reduce their impact.

IMPROVE

We take lessons learned and feedback to enhance our systems, services and capabilities.

OUR COMMITMENTS

We are committed to the safety and well-being of our people and partners.

We are committed to environmental stewardship and responsible operations.

We are committed to quality service delivery and professional conduct.

We are committed to building long-term, trust-based relationships.

We are committed to delivering value and supporting our clients' long-term success.

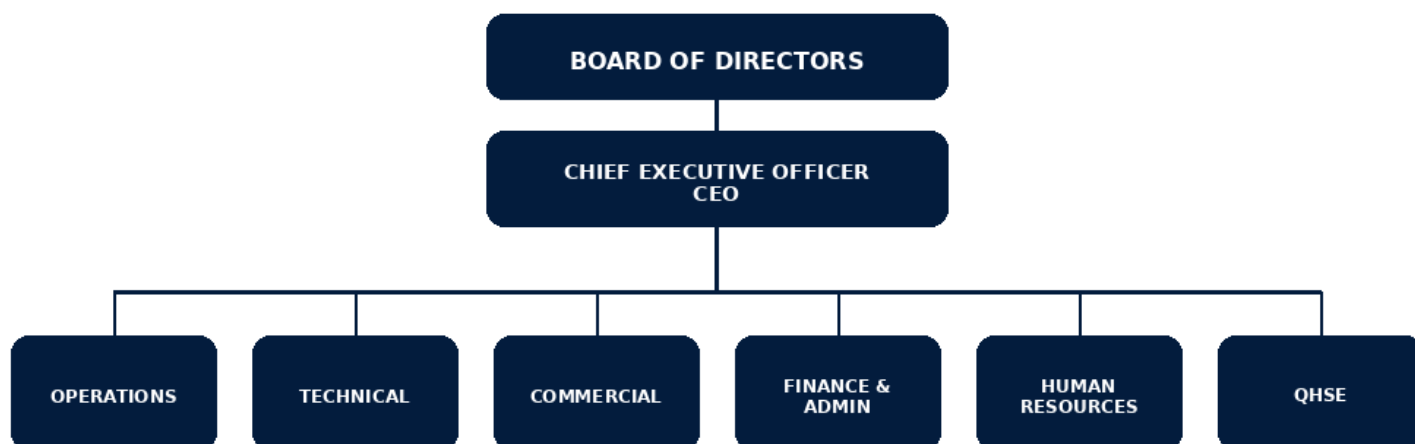

Our quality and compliance approach reflects our commitment to operate **responsibly**, deliver **reliable services** and build **lasting value** for our clients and partners.
